Need for granting extension to Mukherjee Commission probing disappearance of Netaji Subhash Chandra Bose

DR. ALLADI P. RAJKUMAR (Andhra Pradesh) Mr. Vice-Chairman, Sir, I would like to draw the attention of hon. Law Minister as well as the Home Minister because this is an important Special Mention demanding extension for the Mukherjee Commission probing disappearance of Netaji.

Sir, even after 59 years, there are clouds of mystery over the disappearance of Netaji Subhash Chandra Bose. There has been an impression that Netaji died in a plane crash while travelling from Singapore to Tokyo in 1945. But there are equally strong evidences that reject the air crash theory.

In 1955, the S.N. Khan Commission was appointed to go into the air crash theory. Netaji's own brother differed with the contents of the report of that Commission.

In 1971, the G.D. Khosla Commission was appointed but in 1977, the then Prime Minister, Shri Morarji Desai made a statement in Parliament that both the Commissions did not plough the truth behind the air crash. Unfortunately, the Government did not pay due attention towards the documents released by the USA, Germany and the UK. Some renowned historians have disclosed some of the secrets from the KGB, but the Government could not find out the truth from them

In 1999, the Mukherjee Commission was set up to probe the mystery This Commission is yet to receive certain documents and examine some witnesses and documents But the Government has already announced 14th May, 2005 as the day for submitting the report of the Commission resulting in winding up of hearing process.

THE MINISTER OF HOME AFFAIRS (SHRI SHIVRAJ V. PATIL): That was not done by the Government ...(*Interruptions*)...

DR. ALLADI P. RAJKUMAR: The mystery centering around India's most revered and written about political idol has reached at climax. The people of this country have a right to know about beloved Netaji. I, therefore, urge upon the Government to give extension to the Mukherjee Commission without any hesitation keeping in view the sentiments of the crores of people of this country.
